

Contemporary Courtyard

A Courtyard which was designed to provide a contemporary style, whilst encompassing a diverse range of uses and occupants.

Designed and constructed by Spring, this contemporary courtyard is located within the main entrance at Tollgate Primary School. It's fresh and innovative simplicity make it an interactive space for visitors and staff.

The successful selection and combination of materials and plants

allows for ease of maintenance and a constant display of interest for its users.

The tranquil sound of water and the rustling of subtle planting create a sense of interest and curiosity.
