

muddy kitchens

Mucky learning. Messy play.

Our most popular product, Muddy Kitchens, have been created to look and feel just like a real kitchen in the home. And they're the perfect fuel for little imaginations! Mud play encourages inventiveness and independent outdoor play for children in early years education. Crafted from high quality, responsibly sourced materials - they're safe and durable in all types of weather.

Our Muddy Kitchens are delivered ready-assembled and complete with 5 bags of sterilised soil (so it's safe for little hands). Choose from:

Mud Maker

Small kitchen unit with utensil rack

£245 (plus VAT and delivery)

Mud Zone

Medium kitchen unit with drainer and utensil rack

£445 (plus VAT and delivery)

Mud Station

Large kitchen unit with butler sink and utensil rack

£645 (plus VAT and delivery)

We can also create and build bespoke kitchen schemes, so please do contact us if you have something specific in mind. We'd be happy to arrange a consultation to discuss any of our products and services.
